

Our COVID-19 Safety and Wellness Measures

Since the start of the pandemic, Sunrise acted quickly and decisively, establishing a task force and starting infection control efforts early.

PERSONAL PROTECTIVE EQUIPMENT FOR INFECTION CONTROL

3.1 million

N95 + KN95 face masks

1.6 million

isolation gowns

14 million

gloves

30,000

face shields

**HEALTH
+ SAFETY**

37K resident temperature checks on average per day

23K COVID-19 resident screenings on average per day

TEAM MEMBER SUPPORT

\$514K+ in Good Samaritan Fund donations to support team members financially

1,950+ new community team member hires in the last 9 weeks

48,690+ hours of COVID-19 training (infection control, hygiene, and PPE)

\$363K in vacation donated year-to-date to team members in need

CLEANING + SANITATION

50+ hours of cleaning and sanitizing per community with presence of COVID-19

More than \$3.8 million spent to provide industrial strength cleaning

RESIDENT ENRICHMENT

65K+ healthy, homemade meals served daily in residents' suites

Nearly **150** new Life Enrichment Managers trained on outstanding resident engagement

2.6+ million personalized in-room snack and hydration deliveries

FAMILY + PARTNER COMMUNICATIONS

1,000+ iPads distributed for video chats with family and coordination of care with physicians

Excellent overall family and resident satisfaction score in real-time surveys amid increased communications regarding COVID-19

2,500 weekly community emails to families

We are consulting closely with medical, infection control, and geriatrics experts:

- **Jonathan Zenilman, M.D.**, Professor of Medicine and Chief of the Infectious Diseases Division, Johns Hopkins Bayview Medical Center
- **Susan Wehry, M.D.**, Chief of Geriatrics, University of New England College of Medicine
- **Sue Coppola**, Chief Clinical Officer, Sunrise Senior Living
- **Rita Altman**, Senior Vice President of Memory Care & Program Services, Sunrise Senior Living, one of only 17 worldwide Validation Masters
- **Dustin Presnell, Ken Garza, Mark Smith, and Rich Crim**, COVID-19 Task Force Team, GHP Environmental + Architecture

These selected metrics have been consolidated for our communities across North America for informational purposes only, and are accurate through May 19, 2020.
