

A Message from Our Executive Director, Margaret Quinn

Welcome to Sunrise Senior Living of Paramus! If you are looking for a small, quaint, comfortable home for your loved one look no further. Sunrise of Paramus will make you feel at home on your very first visit.

Paramus prides themselves in taking care of the “frailest of the frail” and with that we demand our residents receive a high level of care in our community. In Assisted Living and Reminiscence (Memory Care Neighborhood) our care managers are trained to take care of our resident’s specific needs. Our new team members receive extensive training and all of our team members are trained to care for our residents who have dementia and Alzheimer’s disease.

I began my career with Sunrise in 1998 as a Reminiscence Coordinator and served as the Executive Director at Sunrise of Edgewater for 5 years. I’m very proud to be working with the team here at Sunrise of Paramus who work hard every day to provide the best possible care for our residents.

Come experience what Sunrise of Paramus has to offer!
